

Patrick IRIBARNE

CEO of STRATEIS

Patrick is Chief Executive Officer of Strateis since 1986, a consultancy firm specialised in Excellence implementation. As a European Assessor since 1985, Patrick has performed a number of international assessments for various organisations. Coach and trainer of the French EFQM assessors on behalf of AFNOR, he is also a preeminent speaker and writer of 8 books about Excellence, Assessment and Self Assessment. As a consultant, Patrick has developed serious games and visual tools to perform self-assessments and deploy the EFQM - building awareness and participation around Excellence. His experience and practice include the facilitation of benchmarking through EFQM benchmark clubs - for instance the Excellence Club in Paris since 12 years - and for companies working in networks and clusters - sharing best practices within the organisation.
