

SSB CONSULT

SCHMIDT • BÄUERLE

Also, his projects give him the opportunity to learn extensively about leadership culture and management in Europe, Asia, Africa as well as in the Americas:

Thomas has numerous successful projects with his customers on applying for European Excellence Award and the (German) Ludwig-Erhard-Preis, also he is an experienced team leader for Award- and R4E assessments on behalf of EFQM.

SSB Consult has a close cooperation with EFQM to develop new and improve existing approaches (e.g. global assessments, strategic assessments, assessments in matrix organizations), and contributes to model review and update 2013 and to reviews of training concepts.
